HSC Committee Sign-Up Form

Complete this form if EITHER (a) you have not previously signed up for an HSC committee OR (b) you want to add, delete, or change any of your agency's representatives.

You are invited and encouraged to participate in one or more committees of the Human Services Council. We require a **policy/advocacy representative** from your agency to sign up as part of the **Advocacy Action Response Group (AARG)**, listed in the table below. The committees are instrumental in setting HSC's policy goals, in developing sector-wide initiatives, and in sustaining the growth of the organization.

Please note that appropriate senior staff are welcome to represent your agency on any HSC committee, with the exception of the Audit Committee and Finance and Personnel Committee, which are open to Executive Directors, and the Governance Committee, which is open to Board Members.

For each committee you wish to join, please enter the name, email address, and phone number of your agency's representative, and return this form with your Membership Registration Form and dues. Thank you.
