

Help make a final push for Restore Opportunity Now budget items by calling our State Legislators! Please call legislative leadership (numbers below), as well as your Senator and Assemblymember and use the script to guide the call:

"Hi my name is _____ and I am from (name of your organization). I am calling to ask for your leadership in pushing for the Restore Opportunity Now campaign's budget priorities (\$12 million for minimum wage funding and \$100 million for nonprofit infrastructure) to be included in the final budget. [If calling your local elected representative: We hope you can be a strong advocate for human services in the final days of budget negotiation and express your support for our priorities to leadership in your legislative house.] Thank you for your time and support."

- Speaker Carl Heastie: 518-455-3791
- Senate Leader John Flanagan: 518-455-2071
- IDC Leader Jeff Klein: 518-455-3595
