

Dear Mayor de Blasio,

I am a (an) _____ at
position

organization

_____ programs help the human
type of services/programs
services sector and its communities thrive.

On behalf of the Sustain Our Sanctuary campaign, we are calling for immediate investment on City-funded human services contracts to support the future of essential services.

We are asking you to include this vital 12% across-the-board increase for human services to make sure NYC stays a sanctuary. Your commitment to this campaign will enable organizations to effectively serve communities throughout the City.

Thank you for your support.
